METEORITE Collection

C.IID (Carbo)

C.IID (Carbo)

C.IID is a wall-mounted washbasin which in its design is characterized by the contrast between crystalline textures and even functional surfaces.

Sculptural form and function elements flow into one another. The design offers a large work surface on which to place bathroom essentials, as well as an integrated towel holder.

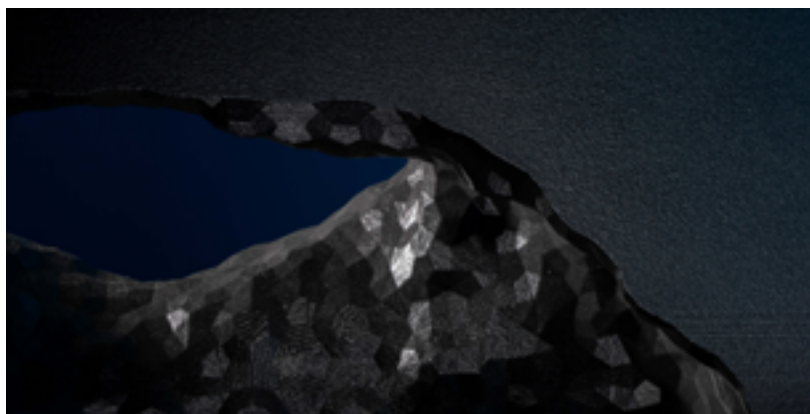

Like all designs in the collection, C.IID is made of sand using 3D printing.

Material	quartz sand
Finish	semi gloss
Standard size	880 x 505 x 145 mm

above: 880 x 505 x 145 mm, dark lava

Standard colour

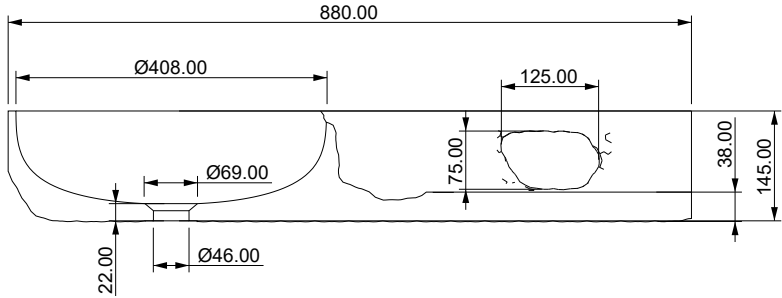

Dark Lava

C.IID (Carbo) (without tap hole)

880 x 505 x 145 mm
